NetHui Roadtrip 2016 Logistics

- Nelson: all meetings rooms and catering are on L2 and can easily be located
- South Auckland: the opening and closing plenary will be within the L1 theatrette plus coffee cart and all breakouts and catering on L3. A floor plan will be on the registration desk
- Rotorua: all meeting rooms and catering are on L1 and can easily be located
- Registration opens at each venue at 7.30am and we would like to encourage all delegates to prepay prior to their arrival
- The opening and closing plenaries and the two main breakout sessions will be live streamed
- If you are facilitating one of these main breakouts, there will be a couple of chairs at the front of the room, a whiteboard with pens and post it notes, mics for you to use and a couple of roaming mics for Q&As. It is important that you use the mics and encourage delegates to use mics so that it is picked up for live streaming
- Each room should have a non film row. Please talk to the live stream camera operator on the day to sort out which row that will be and advise the delegates at the commencement of the session
- In the case of an emergency, please ensure all delegates leave the room in an orderly manner and follow the instructions of venue staff members. Further emergency instructions will be provided on the day

Participation and Facilitation Guidelines

'How To NetHui'

- Speak up in sessions – please use microphone to ensure everyone can hear you.
- Collaborative notetaking page for each session- to share thoughts and session
- Try attending sessions outside your direct interests.
- Enjoy the conversation, make connections and build on them after Nethui.
- Follow sessions online (the panels and main breakout sessions will be livestreamed) and get involved with remote participation and collaborative notes. #NetHui on Twitter.

Facilitation Tips

- Facilitator up the front but not speakers- 5-10 min set up only
- Keep discussion moving- it's about flow :)
- Seek to hear a range of perspectives- ask for it!
- Remind of the collaborative note taking and you can use to prep materials for discussion before day.
